

Imagine!

February
2015

I imagine you found yourself watching a film in which a group of, say North Koreans (just as an example) were, humorously, plotting to kill our Queen or our Prime Minister. Would you enjoy it?

Would you say that as free speech was of paramount importance, there should be nothing that could not be turned into a good piece of entertainment? Or imagine the film was about a plot to kill someone you loved - your child, your spouse, your parent; is that still all right - even if it is funny?

There seems to me to be a serious issue of double standards, of crass hypocrisy in our world. Has our world stooped so low as to permit, even to applaud, such standards of behaviour? Where is our love for our neighbour these days? Where is our respect, even for those with whom we seriously disagree? If our society is quite happy with such behaviour, how can we claim any moral superiority over such countries as (say) North Korea? To claim it is a big joke, and therefore it's okay - isn't that even more of an insult? No wonder the North Koreans are hopping mad. Don't misunderstand me, I am no supporter of such a regime, but such levels of total disrespect are no way to treat a nation whose culture we, fairly in my opinion, abhor.

What did Jesus say about our attitude to our enemy?

Lent begins this month; a time which calls us to focus more fully on our relationship with God. But it is also a time for repentance, and I for one will go into Lent deeply repenting that I belong to a generation that countenances such levels of disrespect for people with whom we do not see eye to eye.

Was it something about *Love your enemy?*

Care Time

We remember all those who are unwell and those of our congregation who are no longer able to attend church. We pray for all those involved in the 'Preach with a View' weekend and that we may discern God's will for our church and the WEBS pastorate.

Defibrillator Update

We have now established the Stansted Community First Responder Group. The plan is for the group members to go out with our responder pack which will include the defibrillator and oxygen. We will be able to respond to emergency calls, to be a first responder whilst waiting for the ambulance service response. As part of our training, each of us will go out with an ambulance crew, and we will have regular assessments. We cannot attend trauma calls, such as road accidents; however we can be called for anyone over the age of two. We are a small select group who meet monthly for training and support in the Free Church Hall, and we are always keen to encourage more people to join the group. At present we are still waiting for our pack and defibrillator to arrive, and then we will be able to go out on call. Once we have finalised the group financial arrangements, we will be able to purchase the fixed defibrillator, which will be sited at Crafton Green. Later we hope to run a training course for the public.

Prayer Requests

Our Christian ethos underpins all we offer and we seek to be an inspirational and accountable organisation, providing supported housing, an emergency crash pad facility and one-to-one career and educational information, advice and guidance. Please pray for:

- East Herts YMCA to be a 'light in the darkness' so that we can encourage young people who may become overwhelmed by a lack of vision for the future
- God's guidance for our staff so that they can continue to provide an excellent level of service throughout 2015. Our aim is for young people to develop a greater sense of being valued and supported, as well as having a real sense of belonging

Many thanks for your prayer support which is so valuable to us and a real source of encouragement. Robert Purcell tel 838068

Churches Together in Stansted Lent Groups

This year we are joining St John's in their 6 week course entitled

The Commandments

Tuesdays 7.30pm at the Rectory (5 St John's Road) or in St John's Church depending on the size of the group. The Commandments are one of the foundations of the Christian faith. They teach us how we should aim to live as individuals and as a community. This course explores the ways in which Jesus interprets the Commandments for his disciples and expands their meaning.

17th February - Priorities

In this session we explore Jesus' summary of the law as the foundation for the way a disciple is called to live

24th February - Reverence

We explore the vital importance of reverence and worship for God, and the danger of making idols of what we love

3rd March - Rest

We continue to explore the theme of reverence in the third commandment, and the linked theme of rest and the Sabbath in the rhythm of our lives

10th March - Respect

We explore the theme of respect in the Christian life, focused on the honour shown within the family and respecting the sanctity of life

17th March - Righteousness

In this session we explore the commandments about adultery and theft and their implications for our daily lives

24th March - Responsibility

In the final session we explore the damage and dangers of dishonesty and covetousness

Please let Paul Wilkin know if you are coming
